TOUR DESCRIPTION:

This tour of culturally rich Vancouver begins with an introduction to key downtown including Canada Place, and Robson Street. Wind through historic and modern architectural wonders en route to Stanley Park; a 1,000-acre natural oasis, surrounded by the Pacific Ocean. View First Nations Totem Poles, and gaze upon ever-changing rainforest and shoreline scenery on the way through the park. Get the camera ready for a photo stop at Prospect Point, with a great view of Lions Gate Bridge.

Continue to the enchanting sights of English Bay beach followed by a visit to the eclectic Granville Island Market. This waterfront artisan's market embodies the idea of smaller is better, with all food, art, and music locally produced, as a labour of love.
